

# Physical Education Activity Kaleidoscope

In the 10th year of PEAK (Physical Education Activity Kaleidoscope), we are putting emphasis on improving physical activity of students through assessment. Brought to you by Central Washington University, WAHPERD, pelinks4u and Ellensburg School District. This year, sessions are provided by a number of professionals who will be sharing their ideas for health, nutrition, and physical education in both classroom sessions and activity sessions

OSPI will also be hosting a CBA workshop at CWU on April 24.

## APRIL 25, 2009
